

Atlona AT14035-2 2M (6.6FT) HDMI SWIVEL CONNECTOR CABLE

6FT Atlona HDMI Digital Cable with Swivel Connectors. Model: AT14035-2

The Atlona 6ft HDMI cable is designed to interconnect your HDMI devices and displays such as PC Computers, Computer monitors, DVD players, Apple TV, Video Projectors and many others. The HDMI cable is constructed out of top-quality materials to allow the highest Computer and HDTV resolutions and quality to be maintained. The HDMI connectors on this cable feature the ability to swivel 180-degrees to allow proper connection to be made without bending the actual cable which may result lower quality signal transfer.

Features

- HDMI 1.3b certified cable
- 36bit Deep Color Support
- Extremely high video bandwidth 382 MHz (over 10.2 Gbit/s)
- Supports all digital audio formats including Dolby TrueHD and DTS-HD Master Audio
- Supports high resolutions up to 1080p or 1920x1200
- The cable is based on Oxygen Free Copper and therefore delivers perfect video without any degradation
- The HDMI connectors are able to swivel 180-degrees which allows proper connection to be made without bending an actual cable
- 24k gold-plated connectors ensure maximum conductivity
- High-density triple shielding for maximum rejection of EMI and RFI
