

# Atlona AT-HD-V40SRS Atlona HDMI 1.3 over Single CAT5 Extender

## Atlona HDMI 1.3 Extender with 3D Support over Single Cat5/6 up to 200ft. Model: AT-HD-V40SRS

The Atlona AT-HD-V40SRS is a perfect solution for those who need to extend HDMI signal for a long distance over a single low cost cat5 or cat6 cable. The Atlona HDMI Extenders can handle HDMI 1.3 standard and high resolutions up to 1080p at up to 110ft and 1080i up to 200ft. Atlona is an only company that has HDMI balun system which is using a **single cat5 or cat6** wire and is able to pass full 1080p @ 36bit color.

The installation of the Atlona HDMI Over CAT5/6 is quick and easy, simply place Sender unit next to your HDTV source such as a DVD player, place the Receiver unit next to your display, than connect **1 x Cat5 or Cat6** cable and you are done. We do recommend to use shielded cat5 or cat6 wire and terminate it 568B to get the best quality signal.

### Key Features:
